

Support Theatre at Belmont High School

Join Parents of Performing Arts Students – PARTS

2009-2010 Membership Form

You are invited to support Belmont High School's performing arts programs by joining PARTS – Parents of Performing Arts Students. Your volunteer and financial contributions support the many behind-the-scenes functions that make the shows possible, including ticket sales, concessions, costumes, fundraising, publicity, and more. PARTS also funds annual scholarships for two graduating high school seniors, and theatre related in-school enrichment programs, and has made contributions to the purchase of essential theater equipment.
