

Support Theatre at Belmont High School Join with Parents of Performing Arts Students – PATRONS 2009-2010 Contribution Form

You are invited to support Belmont High School's performing arts programs by joining PATRONS – Parents of Performing Arts Students. Your volunteer and financial contributions support the many behind-the-scenes functions that make the shows possible, including ticket sales, concessions, costumes, fundraising, publicity, and more. PATRONS also funds annual scholarships for two graduating high school seniors, and theatre related in-school enrichment programs, and has made contributions to the purchase of essential theater equipment.
